Service Offerings for Senior Year

Students and their families can be overwhelmed by the considerable scale of the **application process**. Students continue to need extra support in effectively planning, organizing and implementing their action plans. Professional insight and support is provided before, during and after the college admission process.

Andrea (Andi) Frimmer, M.Ed., the “get your kid into college” lady, will expertly guide you through the following timetable:

- **Summer** before senior year
 - **Complete** internships and summer scholar programs in areas of interest
 - **Facilitate** a conference among the Prep4CollegeNow administrator, student and parents
 - **Contact** college admission reps to develop rapport and show high level of interest in college
 - **Begin** common application essays and supplemental essays for specific colleges starting 8/1
 - **Determine** timeline for college applications: Early Decision, Early Action or Regular Admission
- **Fall** of senior year
 - **Choose** schools from targeted list and begin application process; strictly follow schools of choice timelines
 - **Schedule** and complete admission interviews as applicable
 - **Review** all SAT/ACT/SAT II subject tests and AP test scores; assess and recommend any retakes and coaching
 - **Refine** the most effective resume
 - **Obtain** excellent references from teachers and counselors
 - **Complete** college essays
 - **Polish** each application prior to final submission
- **Spring** of senior year
 - **Review** acceptances culminating in final college selection by May 1
